

# **eVidyaloka Annual Report**

# Objective

The objective of the eVidyaloka Annual Report is to provide comprehensive insights into the organization's performance and impact in delivering digital education across 10 states. Through analysis of student enrollment, school partnerships, donor contributions, and program management, the report aims to showcase achievements, identify areas for improvement, and inform strategic decision-making.

# Insights

- Andhra Pradesh has the highest student enrollment, with 58.68% of total students from APSWRIES.
- eVidyaloka collaborates with 36 partner organizations across 10 states.
- 26 donors supported eVidyaloka for the academic year 2021-2022.
- 8 eV coordinators oversee operations in 10 states.
- The majority of schools have the highest grade up to 12th class (214 schools).

# Thanks!
